You are allowed to complete all of these dates in advance. This guide provides the final date you may turn each item in. If you want to sit down on a Saturday and do it all in one day, then you are allowed to do that. Remember to submit each item on Seesaw as directed. Please see www.mrarp.com/sciencefair for examples to help you along the way.

Name: _____   Class – Hughes

The Steps of Your Science Fair Project		
Task	Date Due	Parent Initials
Work with your parents to choose an experiment that you do not already know the answer to. You do not have to use these experiments, but you can find 200 experiments here: https://www.mrarp.com/sciencefair.html **No animals may be brought to school for science fair.**	1/18	
Complete the yellow scientific inquiry pages and bring to school to be checked.	1/25	
Gather the materials for your experiment. Take a photo of your materials and post it on Seesaw.	1/29	
Submit a time-lapse on Seesaw of you preparing your trifold. Only the left side of the board needs to be completed. (question, hypothesis, and materials).	1/31	
Submit five or more pictures/videos/time lapses of you working on your experiment to Seesaw.	2/5	
Submit a time-lapse to Seesaw of you preparing your trifold. Work on the right side of the trifold (experiment & variables). The conclusion will be completed later.	2/11	
Submit a time-lapse onto Seesaw of you finishing your trifold (data table, pictures, and conclusion).	2/13	
Video yourself presenting your project and submit to Seesaw. Make sure you practiced!	2/22	
Bring trifold to school and present in front of classmates and teacher. I will keep the trifolds.	2/26	
Use iMovie to create a video with all the time lapses, videos, and pictures you took completing your experiment and trifold. This will be worked on in class with Mr. Arp's guidance. Submit to Seesaw.	3/4	
Science Fair!	3/29	

*If we are out for school for inclement weather, due dates MUST be met through Seesaw. You are allowed to submit all assignments early. I <u>STRONGLY</u> recommend submitting assignments early to make sure you do not lose points for late assignments.
